

NAAC PEER TEAM Cultural Event

Date – 11th August 2023

**Venue - Dr. GD Pol foundation YMT Dental College and hospital,
Kharghar, Navi Mumbai**

A peer team was constituted by NAAC to visit the institution and validate the Self-Study report. They visited the College from 9th to 11th august, 2023.

The team had meetings with the Principal and Steering Committee. The Peer Team during its visit assessed and evaluated curricular, teaching and learning activities, research work, extension, infrastructure and learning facilities, and other aspects of the college. They held interactions with IQAC, all departments, teaching staff, non-teaching staff, students, Governing Body, alumnae, parents and visited all academic facilities, administrative and support services. Cultural events, showcase of skills and cultural activities was also presented for their review and perusal. The event included a dance performance showcasing the various classical dance forms of India, a group dance showcasing the folk-dance forms of various Indian states, a musical tribute to the legendary AR Rahman and a final, special performance in collaboration with some special children from ----- organization. They checked documentary evidence, prepared their report and held an exit meeting with parents and alumni. This event was successfully led and hosted by Dr.Thomson D'cruz(NSS Programme Officer), Dr.Ankita Kadam (Assistant Programme Officer) and Chairperson of NSS committee YMT Dental college and hospital Dr. Meghna

Vandekar. We would also like to thank our Director, Dr. Kavita Pol Nalavade ma'am and our Chairman, Dr. G.D. Pol sir for making this event a raging success.

77th Independence Day

Date:15 August 2023

Venue: Ground floor,YMT DENTAL COLLEGE & HOSPITAL

As India celebrated the 77th Independence Day, we at Dr.G.D POL FOUNDATION unfurled the Tricolor with pride and fervor. On this special occasion, the programme started with a parade by Guards. The flag hoisting was done by Dr.D. G BAGAL -Vice Principal (YMT HOMEOPATHIC MEDICAL COLLEGE) and Thomson D'cruz – Assistant Programme Officer (Dept. of Oral and Maxillofacial Surgery). Dr. Ankita Kadam – Assistant Programme Officer (Dept. of Prosthodontics). Dr.Manjiri Deshmukh -Assistant Programme Officer(Dept. of Public Health Dentistry) succeeding with our National Anthem and event was attended by Staff, Students ,NSS Volunteers of Dental, Ayurvedic & Homeopathic College. TEAM NSS presented a small act as a tribute to our freedom fighters who fought to free India. They also gave speech emphasizing the role of youth today as the true wealth of a country. This was followed by a powerful musical rendition of “Ae Watan Tere liye” that awakened everyone’s feeling towards mother land. The programme was ended with thanksgiving speech and requesting everyone to join the campaign of MERI MAATI, MERA DESH and HAR GHAR TRINGANA. Later photos were taken with poster and flag. We would also like to thank our Chairman- Dr. GD Pol sir, our Director - Dr. Kavita Pol Nalavade ma'am, our Dean, Dr. Meghna Vandekar, staff and students for giving their valuable support to make this NSS activity a grand success.

SWACCHANJALI – EK KADAM SWACCHTA KI OAR

DATE- 2nd October 2023

Venue: YMT DENTAL COLLEGE & HOSPITAL

On 2nd October 2023, Swacchanjali - Swachh Bharat Abhiyan was conducted by Dr. Thompson D'cruz (NSS Programme Officer), Dr. Ankita Kadam (Assistant Programme Officer) and Dr. Manjiri Deshmukh (Assistant Programme Officer) & entire NSS TEAM and at GD POL Foundation YMT Dental college and hospital, Kharghar, Navi Mumbai Participated in the cleanliness drive organized by the institution under the programme 'Swachh Bharat Abhiyan'. The programme began with the garlanding of the picture of Mahatma Gandhi. Students cleaned the campus, spread awareness in their neighborhood about waste segregation and waste disposal, along with raising the slogan 'One step towards cleanliness'. The campaign was launched by the Prime Minister Narendra Modi.

The NSS volunteers participated in creating awareness among public, informing them about the importance of cleanliness. The students also took the initiative to clean the surroundings of vicinity.

We would also like to thank our Chairman- Dr. GD Pol sir, our Director - Dr. Kavita Pol Nalavade ma'am, our Dean, Dr. Meghna Vandekar, staff and students for giving their valuable support to make this NSS activity a grand success.

VIGILANCE AWARENESS WEEK

DATE- 3rd October 2023

**Venue - Dr. GD Pol foundation YMT Dental College and hospital,
Kharghar, Navi Mumbai**

Dr. G.D Pol foundation YMT Dental College NSS Unit organized a slogan competition and Integrity pledge for students. Vigilance Awareness Week (VAW) is being celebrated every year and coincides with the birthday of Sardar Vallabhbhai Patel, known to be a man of high integrity. In pursuit of the vision of the Government of India to make a New India by the year 2023, which is the 75th anniversary of our independence, the Central Vigilance Commission, as the apex integrity institution of the country, endeavors to promote integrity, transparency and accountability in public life. The purpose of Vigilance Awareness Week is to generate awareness in the public at large about the ill effects of corruption.

Corruption can be defined as dishonest or unethical conduct by a person entrusted with a position of authority, either to obtain benefit to oneself or to some other person. It is a global phenomenon, affecting all strata of society in some way or the other. Corruption undermines political development, democracy, economic development, the environment, people's health and much more. It is, therefore, imperative that the public be sensitized and motivated towards efforts for weeding out corruption. E-governance, and systemic changes in procedures, minimal discretion, reduced public interface, technology-based procurement and automation will go a long way in reducing corruption. The Commission has, therefore, been advising all organizations/ departments to identify and implement effective preventive measures to fight corruption and to enhance transparency and accountability in their functioning.

A mass integrity pledge was taken. It was followed by a slogan writing competition on the topic – Corruption free India for a developed nation. Banners and posters depicting the theme of Vigilance Awareness Week were displayed. This campaign will provide awareness among the students related to corruption, it will create awareness and sensitize

the students about ways to fight with corrupt practices and It will help to generate transparency and accountability in functioning.

We would like to thank Dr. Thompson D'cruz (NSS Programme Officer), Dr. Ankita Kadam (Assistant Programme Officer) and Dr. Manjiri Deshmukh (Assistant Programme Officer) & entire NSS TEAM.

We would also like to thank our Chairman- Dr. GD Pol sir, our Director - Dr. Kavita Pol Nalavade ma'am, our Dean, Dr. Meghna Vandekar, staff and students for giving their valuable support to make this NSS activity a grand success.

CHANDRAYAAN-3 QUIZ

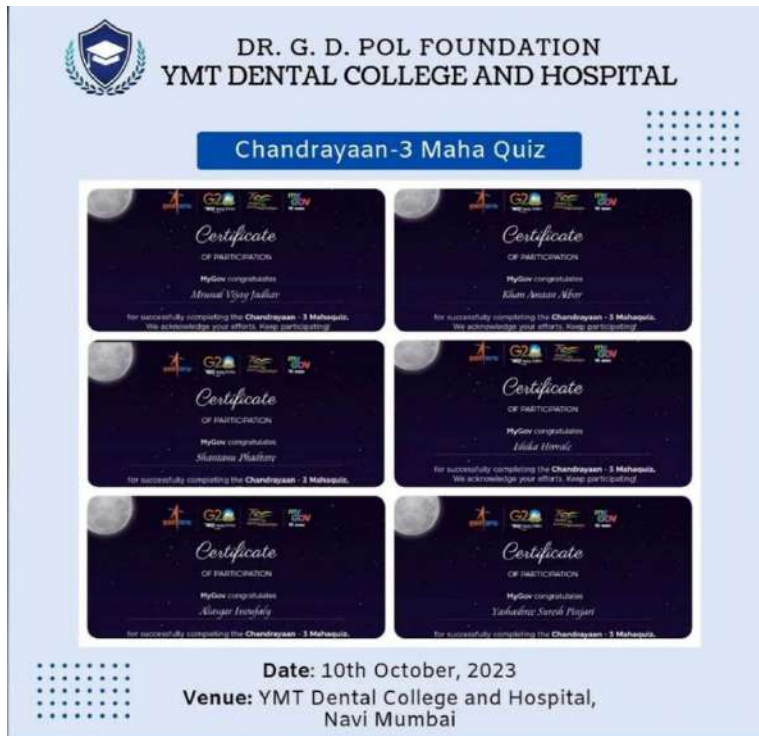

Date – 10th October, 2023

On the 10th of October 2023, as the nation celebrated the successful soft landing of Chandrayaan-3, ISRO, in partnership with MyGov, Organized this online quiz contest to engage and inspire individuals about India's remarkable space exploration we at DR. G. D Pol foundation were delighted to be part of our space Odyssey as Our NSS Volunteers displayed their unwavering enthusiasm by participating in this quiz, which featured ten thought-provoking questions about our Moon Mission, taking participants on a lunar journey of knowledge and exploration.

With ranking based on both accuracy and speed, it was a test of not just knowledge but also quick thinking. Every dedicated NSS quizzier received a well-deserved participation certificate, symbolizing their commitment to the quest for knowledge and Their active involvement in India's space odyssey. Together, we celebrated our love for science, our Quest for discovery, and our admiration for the Wonders of the moon.

We would like to thank Dr. Thomson D'Cruz, NSS programme Officer and Dr. Ankita Kadam, assistant NSS Programme Officer, Dr. Manjiri Deshmukh, Assistant Programme officer and the Entire NSS Team.

Our heartfelt gratitude towards our Chairman, Dr.G. D. Pol, Director Dr. Kavita Pol Nalawade Our beloved Dean Dr. Meghna Vandekar.

MERI MAATI MERA DESH

DATE- 30th October 2023

**Venue - Dr. GD Pol foundation YMT Dental College and hospital,
Kharghar, Navi Mumbai**

YMT Dental College in association with Team National Service SCHEME (NSS) organized an event of “MERI MAATI MERA DESH” initiative taken by Government of India. The event started with gratitude towards SHILLAFALAKAM (Veeron ka vandan). Further everyone Present took a Panch Pran Pledge guiding towards a responsible citizen and making India Clean and Green. To celebrate 75 yrs of independence - Amrit Mahostav, Dr.Thomson D’cruz(NSS Programme Officer), Dr.Ankita Kadam (Assistant Programme Officer) and Manjiri Deshmukh (Assistant Programme Officer & entire NSS TEAM performed a activity wherein the maati collected from different villages was filled in an Amrut Kalash. 56 saplings were planted in an Amrut Udayan as a part of Vasudhanvandan. A rally was conducted by the delegates and students with Amrut Kalash, slogans “HUM SAB EK HAI, MERI MAATI MERA DESH” to spread awareness regarding this campaign.

We would also like to thank our Chairman- Dr. GD Pol sir, our Director - Dr. Kavita Pol Nalavade ma'am, our Dean, Dr. Meghna Vandekar, staff and students for giving their valuable support to make this NSS activity a grand success.

NATIONAL UNITY DAY

DATE:31st October 2023

**Venue - Dr. GD Pol foundation YMT Dental College and hospital,
Kharghar, Navi Mumbai**

On 31st October 2023 Ekta divas was celebrated in YMT DENTAL COLLEGE organized by NATIONAL SERVICE SCHEME (NSS). All the staff, students and office clerks of the college participated in taking a pledge for Ekta divas. They pledge was dedicated to preserve the unity, integrity, and security of the nation and also strive hard to spread this pledge or message to our fellow countrymen. For further supporting this Ekta divas campaign an initial speech was given by Dr. Thomson D'cruz (NSS Programme Officer). Later Rally was conducted in college campus to spread awareness for Ekta divas with posters of Dr. Sardar Vallabhai Patel. The event was conducted by Dr. Thomson D'cruz (NSS Programme Officer), Dr. Ankita Kadam (Assistant Programme Officer).

We would also like to thank our Chairman- Dr. GD Pol sir, our Director - Dr. Kavita Pol Nalavade ma'am, our Dean, Dr. Meghna Vandekar, staff and students for giving their valuable support to make this NSS activity a grand success.

REPUBLIC DAY CELEBRATION

DATE- 26TH JANUARY 2024

Venue - Dr. GD Pol foundation YMT Dental College and hospital, Kharghar, Navi Mumbai

NSS students and staff members celebrated Republic Day in college campus on 26.01.2024 at 8:00 AM. The programme started with welcome of chief guest and Flag Hoisting by the Dr.D. G BAGAL -Vice Principal (YMT HOMEOPATHIC MEDICAL COLLEGE) and Thomson D'cruz – Assistant Programme Officer (Dept. of Oral and Maxillofacial Surgery), YMT Dental college and hospital. The event was initiated with a parade that was showcased by the security team of YMT. Followed by the parade the students of YMT presented various poems, speeches, dances and singing performances. The event ended with refreshments for everyone. We would like to thank our Chairman-Dr. GD Pol sir, our Director - Dr. Kavita Pol Nalavade ma'am, our Dean Dr. Meghna Vandekar, staff and students for giving their valuable support to make this NSS event a success.

VOTERS AWARENESS PROGRAM

DATE- 6th March 2024

**Venue - Dr. GD Pol foundation YMT Dental College and hospital,
Kharghar, Navi Mumbai**

Voting is an integral part of democracy, and it is necessary for people to have a voice. By voting, we can create change and make a difference in our community. In view of upcoming elections, the NSS Unit organized “Voter awareness program (मतदाता जागरूकता कार्यक्रम)” at Yerala dental college and hospital on 06.03.24. The main objective of this program is to enlighten, enable and empower every citizen to register as a voter and cast his/her vote at upcoming election in an informed and ethical manner. In the beginning, Dr. Thomson Dcruz motivated the NSS volunteers and discussed the importance of voting. He inspired the volunteers to make a human chain. It is a form of demonstration in which people link arms or hands to show political solidarity and make other people aware about voting. Eventually the volunteers were administered with the voter’s oath. Afterwards, the volunteers created awareness about voting by holding banners and raising different slogans such as **सारे काम छोड़ दो सबसे पहले वोट दो, वोट डालने जाना है अपना फर्ज निभाना है, जन जन की यही पुकार वोट डालो अबकी बार** in the area. All the students called upon the public to vote with full enthusiasm on 06.03.24 and the public showed a positive attitude towards it. The program was successfully coordinated by the faculty coordinator Dr. Thompson D’cruz (NSS Programme Officer), Dr. Ankita Kadam (asst. NSS Programme Officer) and Dr. Gaurav Salunkhe along with students.

The voting awareness program provides information about voting and how to be a responsible voter. A lot of people want to vote, but many are not aware of its need and how to cast it. This is where voting awareness comes into play. The idea of voting awareness is to help people understand the importance of voting. Voting is an important way for voters to control their government. It is a method for citizens to express what they want from their leaders by raising awareness about voting. This will lead to better governance and what everyone wants – a democracy that is free, fair and representative.

A special token of gratitude for our Chairman- Dr. GD Pol sir, Director - Dr. Kavita Pol Nalavade ma'am, Dr. Meghna Vandekar, Dean YMTDC, staff and students for giving their valuable support to make this NSS event a success.

WOMEN'S DAY CELEBRATION

DATE- 21st March 2024

**Venue - Dr. GD Pol foundation YMT Dental College and hospital,
Kharghar, Navi Mumbai**

To celebrate the International Women's Day, 2023 YMT Dental College organized a Special Lecture on cervical cancer awareness and safety of women of 21st March, 2023. The lecture was delivered by the Chief Guests from Serum Institute of India, Pune. Through their lecture, they emphasized that it is necessary for young girls and women to be aware and informed about cervical cancer and its signs. Fear is restrictive and hence it is imperative that women should rise above narrow mindedness and talk about their health issues. They appreciated the hard work and determination of the students who organized and participated in the event. A lecture was also given by Dr. Shashikala, Department of Microbiology, YMT Dental college. Followed by this, a group singing and a dance performance by the students was presented to the audience.

The audience also engaged in fun games like Antakshari – a musical extravaganza, some interesting challenges and were all given a token of appreciation and refreshments.

This event was wonderfully conducted and hosted by Dr. Thompson D'cruz (NSS Programme Officer), Dr. Ankita Kadam (Assistant Programme Officer). We would also like to thank our Chairman- Dr. GD Pol sir, our Director - Dr. Kavita Pol Nalavade ma'am, our Dean Dr. Meghna Vandekar, our staff and students for giving their valuable support to make this NSS activity a grand success.

Report on NSS Special Camp

Day 1 – Inauguration ceremony and survey of the village

Date – 6th May, 2024

Location – Vadap village, Karjat, Raigarh

Organizers: YMT Dental College and Hospital in association with Light of Life Trust

The NSS Special Camp conducted by YMT Dental College and Hospital, in collaboration with Light of Life Trust, at Vadap Village, Karjat, was a special program aimed at community service and engagement. The camp commenced with a warm welcome at the Light of Life Trust office, where participants were acquainted with the organization's multifaceted initiatives promoting livelihood, women empowerment, agricultural guidance, and mobile healthcare services.

Objectives:

- To assess the healthcare needs of the villagers.
- To understand the existing healthcare infrastructure and accessibility in the village.
- To engage in community interaction and welfare activities.

Participants were welcomed at the Light of Life Trust office and provided with an orientation about the organization's endeavours. This session aimed to instil an understanding of the community's background and needs.

Village Survey: Divided into groups of three, the 25 students embarked on a comprehensive survey of Vadap Village. They interacted with villagers to gather insights into their health conditions, healthcare access, and any prevalent health issues. This survey was pivotal in understanding the healthcare landscape of the community.

Based on the data collected during the village survey, participants conducted a thorough assessment of the existing healthcare facilities and services available to the villagers.

Disparities and areas of improvement were identified to formulate future intervention strategies.

Conclusion:

The NSS Special Camp at Vadap Village, Karjat, exemplified the spirit of service and community engagement. By conducting surveys, interacting with villagers, and assessing healthcare infrastructure, participants gained valuable insights and contributed to the welfare of the community. Such initiatives underscore the importance of grassroots interventions and collaborative partnerships in fostering holistic development.

Day 2 – General health checkup

Date: 7th May 2024

Location: Vadap Village, Karjat

Organizers: YMT Dental College and Hospital in association with Light of Life Trust

Overview:

The second day of the NSS Special Camp at Vadap Village, Karjat, witnessed significant progress in promoting health awareness and providing essential healthcare services to the villagers. The camp, organized by YMT Dental College and Hospital in collaboration with Light of Life Trust, aimed to address the healthcare needs of the rural population and promote overall well-being.

Activities:

Free General Check-up: The villagers were offered free general check-ups, which included assessments of blood pressure, blood sugar levels, height, and weight. This initiative aimed to identify any underlying health issues and provide necessary guidance and treatment.

Student Surveys: A team of 25 students, divided into groups of three, conducted surveys in the village. Their primary objective was to raise awareness about the free health camp among villagers and encourage them to attend. Additionally, they distributed informational pamphlets detailing the services offered at the camp and its importance for their well-being.

Community Engagement: Students actively engaged with villagers, asking questions related to their health and the health of their families. These interactions provided valuable insights into the prevalent health concerns within the community and helped tailor the camp's services to address specific needs.

Through targeted surveys and community engagement, awareness about the health camp significantly increased among villagers. Many expressed gratitude for the opportunity to access free healthcare services and pledged to attend the camp.

The general check-ups provided villagers with valuable information about their health status and empowered them to take proactive measures to prevent diseases. This emphasis on preventive healthcare is crucial for long-term well-being and disease prevention in rural areas.

The active involvement of students in promoting health awareness and engaging with the community fostered a sense of trust and collaboration. Villagers felt more comfortable discussing their health concerns, leading to a more meaningful exchange of information and improved healthcare outcomes.

Conclusion:

The second day of the NSS Special Camp at Vadap Village, Karjat, was marked by enthusiastic participation from both students and villagers. Through free general checkups, targeted surveys, and community engagement, the camp succeeded in promoting health awareness and providing essential healthcare services to the rural population. Such initiatives are instrumental in bridging the healthcare gap in underserved communities and fostering a culture of wellness and preventive care.

Day 3 – Dental camp

Date: 8th May, 2024

Location: Vadap Village, Karjat

Organizers: YMT Dental College and Hospital in association with Light of Life Trust

Overview:

The NSS Special Camp conducted by YMT Dental College and Hospital, in collaboration with Light of Life Trust, at Vadap Village, Karjat, has reached its third day. The camp aims to provide free dental check-ups and treatments to the villagers, alongside essential education on oral hygiene and tobacco cessation.

Villagers were offered complimentary dental check-ups and treatments, including extractions, scaling, and tooth restorations, all administered within the mobile dental van. Additionally, anti-tobacco counselling sessions were conducted to raise awareness about the adverse effects of tobacco on oral health. Proper brushing techniques were also taught to promote better dental hygiene practices.

A team of 25 students, organized into groups of three, actively surveyed the village. Their tasks included promoting attendance at the free dental camp and distributing informative pamphlets about oral health. Moreover, villagers were interviewed to gather insights into their and their families' dental care practices, allowing for a more comprehensive understanding of the community's needs.

The camp has already made a significant impact on the villagers' oral health by providing much-needed dental services free of charge. Additionally, the educational initiatives undertaken during the camp are expected to foster long-term improvements in oral hygiene practices and tobacco cessation efforts within the community.

Conclusion:

The NSS Special Camp at Vadap Village, Karjat, has successfully combined medical services with community engagement to address oral health issues prevalent in the area.

Through the dedicated efforts of organizers, volunteers, and participants, the camp has not only provided immediate relief but also laid the foundation for sustained oral health improvements in the village.

Day 4 – Eye Checkup Camp

Date: 9th May, 2024

Location: Village Vadap, Karjat

Organizers: YMT Dental College and Hospital in association with Light of Life Trust

Introduction:

The NSS Special Camp, organized by YMT Dental College and Hospital in association with Light of Life Trust, at Vadap Village, Karjat, entered its fourth day with remarkable progress and community engagement. The primary focus of the day was to provide free eye checkups to the villagers, distribute prescriptions for spectacles, and offer free eye drops.

Activities Conducted:

Free Eye Checkup: A team of medical professionals conducted free eye checkups for the villagers. This service aimed to diagnose any existing eye conditions and provide necessary prescriptions for spectacles.

Distribution of Spectacle Prescriptions: Following the eye checkups, prescriptions for spectacles were distributed to individuals requiring corrective eyewear. This initiative aimed to address visual impairments within the community.

Dispensing Free Eye Drops: To address common eye ailments and promote eye health, free eye drops were provided to the villagers. This preventive measure aimed to alleviate minor eye discomfort and improve overall eye health.

Village Survey: Twenty-five students, organized into groups of three, conducted a comprehensive survey of the village. The survey focused on promoting awareness about the free eye camp, distributing informational pamphlets, and gathering information regarding the eye care needs of the villagers and their families.

Community Engagement: Students actively engaged with the villagers, encouraging

them to attend the free eye camp and providing them with informative pamphlets detailing the importance of regular eye checkups and maintaining good eye health.

Outcomes:

Increased Awareness: The village residents were made aware of the free eye camp and the importance of regular eye checkups through active engagement and distribution of informational material.

Access to Healthcare: By providing free eye checkups, prescriptions, and eye drops, the camp facilitated access to essential healthcare services for the villagers, thereby addressing immediate eye care needs within the community.

Data Collection: The survey conducted by the students yielded valuable insights into the eye care requirements of the villagers and their families, which can inform future healthcare initiatives and interventions.

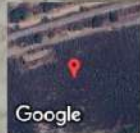

Conclusion:

The fourth day of the NSS Special Camp at Vadap Village, Karjat, witnessed significant strides in promoting eye health and providing essential healthcare services to the community. Through collaborative efforts and community engagement, the camp successfully addressed immediate eye care needs while laying the foundation for sustained healthcare initiatives in the region.

Day 5 – Physiotherapy camp

Date: May 10, 2024

Location: Vadap Village, Karjat

Organizers: YMT Dental College and Hospital in association with Light of Life Trust

Introduction:

The NSS Special Camp conducted by YMT Dental College and Hospital in collaboration with Light of Life Trust at Vadap Village, Karjat, entered its 5th day with a focus on providing free physiotherapy sessions to address prevalent issues of back pain and joint pain, affecting a wide range of population of the village.

Activities Conducted:

- The primary activity of the day involved offering free physiotherapy sessions to the villagers. Both manual therapy and micro current therapy using specialized machines were administered to alleviate back pain and joint pain, which emerged as significant health concerns within the community.
- A team of 25 students, organized into groups of three, conducted a comprehensive survey of the village. They actively promoted the free physiotherapy camp, distributing pamphlets to raise awareness among the villagers. Additionally, they engaged with the villagers, asking pertinent questions regarding their health status and that of their families.

The villagers responded positively to the initiative, showing interest in the free physiotherapy sessions. The promotional efforts undertaken by the student volunteers contributed to increased awareness and participation.

Through the survey conducted by the student teams, valuable insights were gained

into the prevalent health issues within the village. This data will aid in devising future healthcare interventions tailored to the specific needs of the community.

The provision of free physiotherapy sessions addressed immediate health concerns related to back pain and joint pain, thereby improving the overall well-being of the villagers, particularly the elderly population.

Conclusion:

The NSS Special Camp conducted at Vadap Village, Karjat, in association with YMT Dental College and Hospital and Light of Life Trust, marked its 5th day with a successful implementation of free physiotherapy sessions aimed at addressing prevalent health issues within the community. The active participation of student volunteers and the positive response from the villagers underscored the effectiveness of the initiative in promoting health and well-being at the grassroots level.

Day 6 – Street play and rally

Date: 11th May 2024

Location: Village Vadap, Karjat

Organized by: YMT Dental College and Hospital In Association with Light of Life Trust

Overview

On the 11th of May, 2024, YMT Dental College and Hospital, in association with Light of Life Trust, organized a National Service Scheme (NSS) special camp in the village of Vadap, Karjat. The event was aimed at promoting health awareness and educating the villagers on the harmful effects of tobacco, gutka, and other narcotics.

Activities Conducted

1. Street Play:

The highlight of the event was a street play performed by the students of YMT Dental College. The play was designed to educate the villagers about the dangers of tobacco, gutka, and other narcotics. Key points about the street play include:

-Language: The play was performed in Marathi, ensuring that the message was clear and easily understood by the local villagers.

-Content: It focused on the adverse health effects of consuming tobacco and gutka, including cancer and other serious illnesses, and addressed the impact of narcotics on individuals *and* their families.

Participation: All students participated in the play, demonstrating a strong commitment to the cause and a collaborative effort to spread awareness.

2. Rally:

Following the street play, a rally was organized to further to promote health and wellbeing.

KEY ASPECTS

Themes: The rally emphasized general health, wellbeing, the importance of alcohol and tobacco cessation, and maintaining cleanliness.

Participation: The rally saw enthusiastic participation from both students and villagers, creating a sense of community and shared responsibility towards health and hygiene.

Materials- Banners, placards, and slogans were used to attract attention and convey important messages about health and cleanliness.

Impact and Conclusion

The NSS special camp was a significant success, with a large turnout from the village of Vadap. The street play effectively communicated the dangers of tobacco and narcotics in a relatable and engaging manner. The rally further reinforced the importance of healthy living practices and cleanliness, leaving a lasting impression on the villagers.

The collaboration between YMT Dental College and Hospital and Light of Life Trust highlighted the positive impact of educational initiatives on rural health. The students' dedication and efforts in organizing and participating in these activities were commendable and contributed to the overall success of the event. This camp not only served to educate the villagers but also provided the students with valuable experience in community service and public health promotion. The event stands as a testament to the power of collaborative efforts in creating awareness and fostering a healthier, more informed community.

Day 7 – Cleanliness and tree plantation drive

Date: 12th May 2024

Location: Village Vadap, Karjat

Organized by: YMT Dental College and Hospital, in association with Light of Life Trust

Overview

On 12th May 2024, YMT Dental College and Hospital, in collaboration with Light of Life Trust, successfully conducted a National Service Scheme (NSS) Special Camp in Village Vadap, Karjat. The camp aimed at fostering community service and instilling a sense of social responsibility among the students.

Activities Conducted

Cleanliness Drive – Swaccha Bharat Abhiyan

The students of YMT Dental College spearheaded a special cleanliness drive as part of the Swacch Bharat Abhiyan. The following activities were undertaken:

Cleaning Streets and Slum Areas: Students meticulously cleaned various streets and slum areas of the village.

Educational Outreach: The villagers were educated about the importance of maintaining cleanliness and sanitation in their surroundings. The awareness sessions were conducted in the local vernacular language, Marathi, to ensure better understanding and communication.

Tree Plantation Drive

Following the cleanliness drive, a tree plantation drive was conducted. This initiative focused on promoting environmental sustainability and educating

villagers about agricultural practices.

Distribution of Seed Packets: Seed packets were provided to the villagers to encourage the practice of planting trees.

Information Dissemination: Information regarding crop patterns, the importance of seasonal and non-seasonal crops, and effective agricultural practices was imparted to the villagers.

Conclusion of the Camp

This day marked the final day of the special camp. The efforts of the students and faculty were highly appreciated by the local community. The activities conducted not only aimed at improving the immediate environment but also at fostering long-term sustainable practices among the villagers.

EVENT REPORT - PROSTHONOVA 2024

DATE: 15/01/2024 – 25/01/2024
VENUE: DEPARTMENT OF PROSTHODONTICS
DR. G.D. POL FOUNDATION YMT DENTAL COLLEGE

SUMMARY

PROSTHONOVA 2024, a week-long event conducted in the Department of Prosthodontics, Dr. G. D. Pol Foundation's YMT Dental College aimed to foster learning, skill development, and patient care in the field of prosthodontics. The event, held from January 15th to 25th 2024, featured a diverse range of activities, workshops, and sessions tailored to cater the educational and professional needs of both undergraduate and postgraduate students as well as faculty members.

Event highlights:

Day 1 (15/1/24):

Colour code- Green (resembling ReNEW)

RENOVARE - COMPLETE DENTURE REHABILITATION MARATHON

Nine teams were made from 1st, 2nd and 3rd year postgraduates students each, for managing and treating nine different complete denture patient effectively and efficiently.

Primary impression and secondary impression were made.

Hence the event kicked off with a comprehensive denture rehabilitation marathon, emphasizing hands-on experience and practical skills development in complete denture procedures.

Day 2 (16/1/24):

Colour code- Orange (resembling Power Energy)

ERGONOMICS WITH PHYSIOTHERAPY, DIET AND PATIENT COUNSELLING

As part of this initiative, Dr. Shefali Bhiwapurkar spearheaded a Geriatric Diet Counselling session, engaging patients with tailored dietary advice through questionnaires and personalized consultations. Following this, patients received informative leaflets promoting balanced nutrition.

Dr. Sarah Chougale conducted a Physiotherapy session, providing chairside self-exercise techniques. All postgraduate students, faculty, non-teaching staff and patients participated in the same session emphasizing on ergonomics and proactive health management. This multidisciplinary approach underscores our commitment to holistic care and patient empowerment at YMT Dental College's Prosthodontics department.

Day 3 (18/1/24):

Colour code- Purple (resembling Creativity)

REEL EXTRAVAGANZA

Undergraduate students participated in a creative reel-making event, harnessing the power of social media platforms to showcase their skills and experiences in prosthodontics.

Day 4 (19/1/24):

Colour code- Pink (resembling Empathy)

i CARE: SOFT SKILLS DEVELOPMENT PROGRAM

A soft skills development program, led by Dominic Costabir, focused on enhancing the interpersonal and communication skills of postgraduate students, vital for effective patient care and professional collaboration.

Day 5 (20/1/24):

Colour code- White (resembling Peace)

PURSUIT OF HAPPINESS

The day centered on insertion of dentures to patients, symbolizing the restoration of function and aesthetics, accompanied by the recording of patient testimonials to capture their satisfaction and gratitude.

Day 6 (22/1/24):

Colour code- Red (resembling Love)

PROSTHODONTIST DAY: GOD CREATES, WE RECREATE

Celebrating the artistry and expertise of prosthodontists, this day highlighted their role in recreating smiles and restoring oral health, reflecting on the creativity and innovation within the field.

Day 7 (24/1/24):

Colour code- Golden (resembling Transformation)

CORONATION DAY

A culmination of the event featuring a FDP rehab marathon was held in the department of prosthodontics where tooth preparation was performed in ten patients followed by provisionalization.

Additionally a demonstration of the dental vibe instrument provided insights into Painless Anaesthesia techniques. It was also administered in patients promoting comfort and satisfaction.

Day 8 (25/1/24):

Colour code- Blue (resembling Innovation)

UNDERGRADUATE 1ST YEAR MODEL- MAKING COMPETITION

There was also model-making displays and self-explanatory charts by undergraduate students, highlighting the integration of technology in prosthodontic practice.

DIGI DAY

The event concluded with a focus on digital dentistry, in-house digital scanning was done by postgraduate students. Also intraoral scanning for implant patients and FDP patients was extensively done.

Educational partners:

The event was supported by educational partners including Prime dental products PVT LTD, Dentart's, i-fix, NEXTIN and Dr. Reddy's, reflecting a collaborative effort to advance dental education and innovation.

PROSTHONOVA 2024 served as a platform for knowledge exchange, skill enhancement, and community engagement within the field of prosthodontics. Through a diverse array of activities and sessions, the event facilitated holistic learning experiences and fostered a culture of excellence and innovation in dental care.

NOTICE

Blood Donation Drive

We are pleased to announce that Department of Oral & Maxillofacial Surgery is celebrating **International Oral and Maxillofacial Surgery Day** on **13/02/2024** and have organized a Blood Donation drive in collaboration with Tata Memorial Hospital, Mumbai on **12/02/2024** at **Dr Sarvepalli Radhakrishnan Auditorium, 4th Floor, YMT Dental College & Hospital from 10:00 AM to 2:00 PM**. This event aims to contribute to the noble cause of saving lives by replenishing blood reserves and helping those in need. Your generosity can provide hope and healing to those facing medical emergencies.

Let's come together as a community and make a difference through the gift of life. We look forward to your wholehearted participation in the Blood Donation Drive.

Thank you for your support and generosity.

Topic – Blood Donation Drive 2024

Date - 12th February 2024

Dear Participant,

The purpose of this questionnaire is to obtain your feedback on the effectiveness of the blood donation process you underwent. Your response will help us in improving such activities in future. You may not reveal your identity if you like; your response will be held confidential. We thank you for your co-operation.

Questions	Yes	No
1. Were you attended professionally?	✓	
2. Was the time management satisfactory?	✓	
3. Was the program conducted systematically?	✓	
4. Was the sterilization and asepsis maintained?	✓	
5. Were sterilization protocols followed from COVID-19 point of view?	✓	

6. How will you rate the overall conduct of the event?

Excellent	Good	Satisfactory	Fair
✓			

7. How it could be made BETTER?

You could have extended the time limit so that we would have donated peacefully

8. If you were to organize this workshop, what DIFFERENTLY would you do? —

'SAY NO TO BLEEDING GUMS' DRIVE REPORT

Dr. G. D. Pol Foundation's Y. M. T. Dental College and Hospital, Kharghar actively took part in the successful conduction of a month-long celebration of the **'Say No To Bleeding Gums' drive - A PINK HEALTH INITIATIVE** which started on February 1st and culminated with the celebration of World Oral Health Day on 20th March 2024. As a part of this drive, the Department of Periodontology screened approximately 721 patients using Basic Periodontal Examination (BPE), and their smiles were recorded on the ISP app. More than 720 parodontax samples from Haleon Pharmaceuticals and wooden toothbrushes were distributed.

During this drive, the following special days were celebrated with various student and patient-engaging activities.

WORLD ORAL HEALTH DAY, 20TH MARCH

On the auspicious occasion of World Oral Health Day, Dr. G. D. Pol Foundation YMT Dental College and Hospital organized a vibrant and engaging celebration to raise awareness about the significance of oral health amongst the masses. World Oral Health Day was celebrated on the 20th of March 2024 with the joint consortium of the Departments of Periodontology and Public Health Dentistry.

Oral screening booths were established by both departments that helped create awareness amongst the masses to propagate the importance of oral hygiene. Along with this wooden toothbrush samples that promote sustainability and toothpaste samples were distributed to all patients visiting the OPD.

Further emphasizing the theme of World Oral Health Day, various patient-engaging activities like the Nukkad Natak- performed by students to encourage the masses regarding oral health maintenance, children engagement activities like drawing and coloring were carried out on a large scale, thereby strengthening, and stressing the necessity of oral hygiene maintenance right from childhood.

NO SUGAR DAY (1ST NOVEMBER)

The Department of Pediatric and Preventive Dentistry observed No Sugar Day on 1st November 2023. 1st November has been declared as the National No Sugar Day by FDI and IDA in the Mumbai Declaration on Sugary Drinks and Healthy Food, 2022 and endorsed by FSSAI, PHFI, IAP, ISPPD, Tata Memorial Hospital, GCD Fund (UK), etc.

To support this initiative, a No Sugar Day sticker was worn by the teaching and non teaching staff members of the department, PGs and interns. A Pledge, Practice and Promote signature campaign was also organized. Video of children reporting to the department supporting No Sugar day were also recorded. The departments of Prosthodontics, Endodontics and Periodontics also extended their support to promote a No Sugar campaign.

Department of Public Health Dentistry

Annual Report of the outreach activities for the AY 2023- 24

The various outreach activities conducted in rural and urban areas in the year 2024 included activities for the holistic development of students/interns and bringing forth to them, the lifestyle of rural people and how their valuable services can be beneficial at grass root level. The rationale behind conducting outreach activities is to sensitize our students/interns about the importance of reaching out to the masses and rendering quality dental care to them along with raising oral and general health awareness amongst the masses who are deprived of it. Various health education like AV, posters, demonstrations on models, health talks are used at times by our interns to better the understanding of masses about oral health. We have achieved a whopping total of 249 camps serving 16349 patients and providing outreach exposure to 1287 interns in the year 2024 by the department of Public Health Dentistry. Camps were organized in association with offices, societies, schools, colleges, clubs, NGOs etc
