SUMMARY:

The Language and Communication skill Development tutorial was undertaken from 04.01.24.

Students admitted to the I BDS Course were enrolled in the programme. The students belonged to schools with vernacular medium of instruction as well as schools within Maharashtra where the primary mother tongue was vernacular.

The designed programme familiarised students with the English language, grammar, pronunciations and communication.

Regular classes commenced from January 2024, on the every Thursday for a total duration of 3 months. The classes were undertaken by Dr Bhagyashri Purandare, Senior Lecturer, Department of OMDR. A total of 11 students were enrolled in the programme.

Students were taught basics of the English language, simple sentence construction, essay writing and basic terminologies in dentistry. Students were given simple topics and were asked to speak on it for 10 minutes. Emphasis was laid on pronunciations, grammar, oration and diction of the text.

In the subsequent classes, students were asked to read out paragraphs from Anatomy, Physiology and Dental materials textbooks to familiarise themselves with medical terminologies and pronunciations. Peer interactions and student-staff interactions were carried out. Role playing activities were done for viva-voce. Students were made to listen to monologue clippings. Students were asked to approach the staff in-charge in case they had any problems with the language.

SUMMARY:

The She Rise Summit, a collaborative effort by the Department of Oral Medicine and Radiology, Campus Konnect by Brand Touch, and Proctor and Gamble, was a pivotal gathering aimed at empowering the female undergraduate students of YMTDCH. This transformative event focused on elevating women through insightful lectures covering menstrual hygiene awareness, personality development, and skills enhancement.

The speaker for the event was Mrs. Sunita Bandekar, a Training Consultant and NLP Coach. She holds the experience of conducting over 1500 training sessions with more than 20 years of experience in marketing, retail, training and development. Throughout the summit, participants were enlightened by an audiovisual lecture which delved deep into essential topics such as breaking menstrual taboos, fostering personal growth, and cultivating skills vital for professional success. The speaker was then presented with a token of appreciation by Dr. Deepa Das, Head of Department of Oral Medicine and Radiology.

As the summit drew to a close, free goodie bags by Whisper and Gillette were distributed amongst the 68 students. These tokens of support symbolized a shared commitment to nurturing and uplifting women on their journey towards self-discovery and empowerment.

Report for Diet & Nutrition- Holistic Health Series

The Department of Conservative Dentistry and Endodontics organised a program under wellness space to commemorate Cons-Endo Day celebrations on the 23rd of January 2024.

A launch of holistic health series was done for capability enhancement of all the undergraduate, postgraduate students, interns, and faculty at Dr G D Pol Foundation's YMT Dental College. The first talk was on diet and nutrition by Dr Rohit Suresh, who is MSc Medical Biochemistry and PhD scholar with a fellowship in applied nutrition from Appollo Hospital Medversity.

The inauguration and lamp lighting was done in the presence of Dean Dr Meghna Vandekar Madam, Heads of the department, and the registered delegates. Dr Vibha Hegde, Dean Faculty of Dentistry, MUHS, Head Department of Conservative Dentistry and Endodontics and organising chairman of the the event welcomed all the delegates and explained the need to conduct such programs for capability enhancement.

Dr Mrunalini Vaidya introduced the speaker and conducted the event.

Dr Siddhi Nevrekar gave a vote of thanks.

Total 219 people registered for the event. And attended and the talk.

The talk was followed by healthy, nutritious green sprout chat to all the registered participants.

The faculty and the delegates immensely benefitted from the interactive talk on Diet and Nutrition and looked forward to many such talks on holistic health and physical fitness.

SUMMARY

On the 3rd of August 2023, Mr. Shrikant Iyer, Wellness Consultant and Psychologist delivered a lecture on the "Importance of Mental Health and Wellbeing." The session was conducted for the undergraduate students of the institute with the aim of raising awareness about mental health and fostering a supportive environment for the students. During his lecture, Mr. Iyer emphasized that mental wellbeing is not simply the absence of illness but a proactive state of flourishing, where individuals experience positive emotions, find meaning in their lives, and are able to function optimally. The students actively participated, sharing their thoughts and ideas on how to promote mental health. The lecture and interactive discussion left a lasting impact on the students, sparking a collective commitment to creating a supportive community that values mental health. The event served as an essential step towards building a mentally healthy and flourishing environment at Dr. G. D. Pol Foundation, YMT Dental College and Hospital.

SUMMARY

On the 28th of July 2023, Mr. Shrikant Iyer, a distinguished wellness consultant and psychologist delivered a thought-provoking lecture on the significance of mental health and wellbeing. The session was organized for the institute's interns, with the aim of raising awareness about mental health and fostering a supportive environment for the students. After addressing the interns, Mr. Iyer engaged in an interactive discussion with the Student Council, encouraging them to take an active role in promoting mental wellbeing on the campus. During his lecture, Mr. Iyer emphasized that mental wellbeing is not simply the absence of illness but a proactive state of flourishing, where individuals experience positive emotions, find meaning in their lives, and are able to function optimally. The interactive discussion with the Student Council was a valuable part of the event. The students actively participated, sharing their thoughts and ideas on how to promote mental health on the campus. They discussed organizing workshops, plays and support groups to create a more mentally healthy environment within the institute. The lecture and interactive discussion left a lasting impact on the interns and students, sparking a collective commitment to creating a supportive community that values mental health. The event served as an essential step towards building a mentally healthy and flourishing environment at Dr. G. D. Pol Foundation, YMT Dental College and Hospital.

SUMMARY

In a symphony of intellectual curiosity", here at Dr. G. D. Pol Foundation's Y.M.T Dental College we orchestrated a comprehensive lecture and sensitization session by Dr. Vaibhav Kumar (Department of Public Health Dentistry), delving into the multifaceted landscape of Intellectual Property Rights (IPR). The event, meticulously organized and eagerly attended by the entire student body, and served as a compelling platform for the convergence of diverse minds and disciplines. Against the academic backdrop, the lecture unfolded as an immersive journey through the intricate tapestry of intellectual property, weaving together legal frameworks, ethical considerations, and the practical implications for creators and innovators. The distinguished speaker illuminated the audience on the dynamic interplay between creativity and protection, sparking a lively exchange of ideas that transcended disciplinary boundaries. In retrospect, the event stands as a testament to our college's commitment to holistic education, where knowledge transcends traditional confines, and students are empowered to navigate the complexities of the ever-evolving world.

SUMMARY

Anti-ragging orientation programme was organised on 5th April 2024 for the students of first and second BDS to sensitize them regarding the evils of ragging and its prevention.

Dr. Arun Dodamani, Dean ACPM Dental College, Dhule was the chief speaker . he elaborately and affectively addressed the students impressing upon the adverse effects of ragging.he also explained what exactly constitutes ragging, why is it a criminal offense and who is liable to be prosecuted for it. He also stressed the fact that not only the offending parties but also the silent witness would be held equally responsible.

To motivate and foster healthy relationship among the students a short stand-up act was presented by senior college students emphasizing the ill- effects of ragging & developing a culture of a good social environment at the campus.

Executive Summary:

The Department of Public Health Dentistry invited Ms. Abhina Aher, a renowned advocate and activist for transgender rights, to deliver a lecture at Y.M.T Dental College and Hospital on 1st November 2019. This lecture was organized for the college interns and aimed to shed light on critical topics, including inclusivity, gender sensitivity, and transgender care, which are becoming increasingly pertinent in today's diverse and inclusive society.

The event began with the national anthem, followed by Dr. Vaibhav Kumar addressing the audience with regards to the theme for the year "all for one, one for all." He also introduced the speaker Ms. Abhina Aher who is widely recognized for her expertise and dedication to transgender rights and healthcare advocacy.

Ms. Aher's lecture emphasized the paramount importance of fostering a welcoming and inclusive environment in both academic and professional spheres. She elucidated that gender sensitivity is integral to achieving inclusivity and urged interns to actively work toward dismantling gender biases and stereotypes.

Understanding Transgender Issues: A comprehensive exploration of the challenges confronted by the transgender community was presented by Ms. Aher. This included discussions on discrimination, mental health disparities, and healthcare inequities. She discussed the nuances of sex, gender and sexuality and encouraged interns to read more about the same.

Transgender Care: Ms. Aher stressed on the significance of inclusive healthcare practices, including the recognition of gender identities, and the delivery of appropriate medical care.

SUMMARY

In a momentous confluence of academic brilliance, Dr. G. D. Pol Foundation Y.M.T Dental College and Hospital was privileged to host the distinguished, Dr. Arun Dodamani, luminary Principal of A.C.P.M. Dental College, Pune, and a revered member of the Dental Council of India, for an extraordinary lecture on anti-ragging. Dr. Dodamani's eloquence and erudition cast a spell on the eager audience, weaving a narrative of empowerment and enlightenment. Against the backdrop of dental education, his words transcended mere discourse, transforming into a profound symphony of wisdom. The lecture wasn't just an intellectual exercise; it was a tapestry woven with threads of inspiration, urging students to become stewards of a culture that respect, understanding and unity. As the echoes of Dr. Dodamani's insights reverberated through the lecture hall, the event became a pivotal milestone, a cornerstone in the collective pursuit of knowledge and awareness. It wasn't merely a presentation—it was an immersive experience that left an indelible mark on the hearts and minds of the dental community at Dr. G. D. Pol Foundation Y.M.T Dental College and Hospital, shaping future practitioners into compassionate leaders armed with the power of education and the responsibility to foster a culture free from the shadows of ragging. With utmost gratitude, we acknowledge the distinguished leadership of Chairman Dr. G. D. Pol, Director Dr. Kavita Pol Nalawade, and Dean Dr. Meghna Vandekar. Their unparalleled support and sagacious guidance have been the epitome of refinement, steering our journey with grace and excellence.

SUMMARY:

The annual Rotary Endodontics Workshop 2023 was organized by Department of Conservative Dentistry and Endodontics on 26th September 2023 which focused on enhancing clinical skills alongwith imparting knowledge on all aspects of endodontics. Detailed sessions were conducted on case selection, irrigation protocol and obturation

techniques. The lectures were focused more on clinical aspects to get budding doctors acquainted with the intricacies of clinical practice.

The first session was conducted by Dr.Vibha Hegde sharing valuable insights on case selection and treatment planning. Next session was held by Dr.Ushaina Fanibunda discussing the protocols and recent advances in irrigation. Dr.Satish Sane then spoke on obturation techniques in endodontics.

Demonstration and hands- on using rotary files followed the scientific sessions. The workshop received overwhelming response and witnessed active participation from the students. The students received a first- hand experience of using rotary file system on extracted molar teeth.The participants were then provided with portable x-ray unit and digital radiographic sensor to shoot radiographs of the extracted teeth that were prepared during the session. Additionally, obturation was completed using using Downpack and Backfill devices along with use of guttapercha and resin based sealer. The programme was widely appreciated and received an extremely positive feedback.

SUMMARY:

"Voices for Equality: Here at Dr. G. D. Pol Foundation YMT Dental College, A MUN (Model United Nations) conference brilliantly addressed the urgent issue of Healthcare Disparity in the LGBTQ+ Community. Over the course of two days, 29 passionate student delegates, each representing a different country, engaged in exacting UN-style proceedings. Chaired by our distinguished senior staff and capable interns, this event wasn't just a simulation—it was a deep dive into global health inequalities affecting the LGBTQ+ community, sparking critical conversations and innovative solutions. Every participant, from the delegates to the chair and the engaged spectators, was part of a phenomenal educational experience. The conference, live-streamed to reach a broader audience, highlighted the power of informed dialogue and international cooperation. It is imperative to thank our Organising Faculty, Dr. Janhavi Modi (Scientific Convener), Dr. Neha Bhalla, Dr. Nalini Tomar and Scientific Committee for this amazing two days affair. A heartfelt thank you to all the volunteers and the organizing committee whose dedication and hard work turned this important educational endeavor into a resounding success. Your efforts have not only enriched our community but have also laid the groundwork for ongoing advocacy and change. Here's to continuing the fight for healthcare equity in every corner of the world. In profound appreciation, we extend our deepest thanks to the eminent leadership of Chairman Dr. G. D. Pol, Director Dr. Kavita Pol Nalawade, and Dean Dr. Meghna Vandekar, for their extraordinary support has been the pillars of refinement, shaping our path with unparalleled elegance and distinction."
