The department level learning objectives will be monitored by the HODs in the monthly departmental meetings. Summary of these reviews will be submitted to the Director, Dean and Management for information and necessary support. The consolidated report on achievement of department level and institutional level objectives will be reviewed periodically.

As, Digitization is the new normal and also it is considered to be indispensable for quick and speedy decisions in the dynamic or turbulent environment, digitization of the processes in a structured manner is also taken as one of the key elements of the strategic plan. Dental Management System, Learning Management System, Store Management System, Fees Management System and Employment Management System to be implemented in phased manner.

## INSTITUTION POLICY

Dr. G. D. Pol Foundations YMT Dental College and Hospital has developed the strategic aim of being one of the most prestigious learning institutions and hospitals for oral health care in Maharashtra and maintaining the same in the coming years based on annual enrollment of students. The Policy for the same is as follows :

● To follow the curriculum decided upon by the curriculum committee year on year and there by attain the student attributes and learning objectives and prepare the students for a successful career.

To accomplish NAAC accreditation process in the Institution.

To carry out regular Internal Quality Assurance Cell (IQAC) and other committees meetings.

To host training courses in novel techniques and introduce one course every two years with 10% student's enrollment so as to achieve 50% in five years. To conduct five programs which includes Continuing Dental Education and Faculty Development Program etc every year and ensure 75% staff registration.

To augment research capabilities and receive approved projects and publications in peer reviewed journals in five years.

● To improve patient inflow by 10% year on year through

a) Patient focus care - Comprehensive clinic, b) Training students / staff in patient management.

b) To scrutinize the progress and achievement of these goals, the same are reviewed periodically by the Director, Dean, Heads of the Departments and Management.

c) To improve the infrastructure and form green environment in the premises.

d) To ensure clarity among the departments in terms of their roles and responsibilities expected from each of them towards the pursuit of institutional goal, the institutional objectives have been appropriately deployed among all of them, as department level objectives.

e) To instill all the mandatory committees and appoint committee heads to maintain governance at higher level.
