ENRICHING MINDS, EMPOWERING FUTURE

- The IQAC at YMTCH adopts a collaborative approach in quality assurance. It is designed, comprising of the Dean as the chairperson, senior faculty members, administrative officer and members from management, students, local society, stakeholders and alumni. IQAC meets every half yearly and discuss issues in the institute and provides the recommendation to higher authority to improvise the same.
- Furthermore, this committee also assessed on upgradation, developing policies for effective governance.
- Aims and objectives:
 - The objective of IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
 - It also promotes measures for Institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
- Strategies
 - The quality enhancement process is integrated with the roadmap for NAAC accreditation and aligned with DCI and MUHS University norms. For a smooth academic performance IQAC ensures that the institution adheres to the norms laid down by the statutory bodies.
 - Heads of the Academic committee's monitor the academic activities which includes following the syllabus and curriculum laid by the regulatory bodies, completion of assigned academic works, conduction of CIA, fulfilling the term days.
 - Evaluation and monitoring academic development of the various department through structured mechanism.
 - Organizing administrative activities
 - Planning special programs for faculty members and administrative staff related to quality issues.
 - Establishing maintenance, adequacy, effective allocation of support, structure and resources.
