7.1.6. c Any other relevant information -

1. Green Campus initiatives taken by the Institute.

1. The institution is dedicated towards reducing the carbon footprints and has taken periodic measures for the same
2. The institution has a well designed Landscaping with different trees and plants spread across the campus.
3. In addition to this, Institute organizes tree plantation drive at periodic intervals.
4. In order to reduce use of fossil fuels and reduce carbon footprint, students and staff are advised to use college bus for transportation or carpool, if possible.
5. To reduce gas pollutants in the campus, Car parking sticker to Staff and Students is issued only after verification of PUC.
6. Institute has banned use of non –biodegradable plastic in the campus.
7. The institution conducts “best out of waste” competitions during annual fest every year to instill and inspire the concept of reuse of resources.
8. We emphasize students to use bicycles as a mode of transport. Use of glass bottles and ban on use of plastics is emphasized.
9. Institute has beautiful landscaped gardens and a lush green campus where open air classes are taken occasionally to encourage environment friendliness in students.
