ACADEMIC CALENDAR 2021-2022

BDS COURSE

The academic year for the summer batch begins from August 2021 to July 2022. The working and vacation schedule will be released by the university prior to the commencement of the academic year. The same will be circulated amongst the departments for their information. The academic year for the first BDS course will commence from April 2022. The overall academic program will be divided into two terms: term I- August 1st 2021 to Jan 31st 2022 and term II- Feb 1st 2022 to July 31st 2022.

The academic year for the winter batch will begin from April 2022.

The program schedule during the academic year is as follows:

I BDS to IV BDS (Summer and winter batch):

I] Lecture, practical and clinical schedule

1. The lectures and the practicals will be conducted based on the time table which will be as per the norms prescribed by the university.
2. The clinical posting for the third BDS and the final BDS will be conducted in two parts beginning from November 2021 and ending by June 2022 with winter vacation being incorporated in between. A grace period of 15 days will be kept at the end of all postings for the students to complete any posting which they may have missed owing to certain unavoidable circumstances.
3. The orientation program for the first BDS students and their parents will be held in the month of April 2022.

II] Examination schedule:

- There will be three internal assessment exams conducted for the students during their academic year. An additional internal assessment exam will be held at the end of the third IAE for those students who missed one of the preceding IAE owing to unavoidable medical emergencies.
- The internal assessment exams will be held as per the following schedule:

1. Summer batch (For III and IV BDS)

- First IAE: January 2022
- Second IAE: April 2022
- Third IAE: June 2022

2. Winter batch: To be decided

3. The final internal assessment ratios have to be submitted to the office as per MUHS notifications
4. The university examinations will be held during July 2022 for summer batch and Dec – Jan 2022 for winter batch

Internship:

- The internship will commence from January 2022 to December 2022. A compulsory one year rotatory internship will be programmed for the students as per the rules and regulations established by the university.
- An orientation program will be held in the month of January 2022 for the interns.
- Student council will be established and introduced in the month of January 2022 and duties will be allotted
- The primary responsibility of the students will be to perform the department academic and clinical activities as per the norms laid out by the respective departments.
- In addition, the students should also participate in the college activities like camps, scientific activities etc as deemed necessary from time to time.

Extra-curricular activities:

TO BE DECIDED
